COMMENTS:

This course typically runs year round. We have taken July and December off to give the Facilitators a break from group. Classes are held every Wednesdays from 6:00 to 7:30 pm. The Facilitators are responsible for setting up and taking down the chairs needed for group. Typically, the Facilitators are on-site from 5:30 to 8:00 pm. The Facilitators share all duties required to teach the course including: teaching, recording, questioning, providing feedback and correction.

Facilitators should have respect for the opposite sex and recognize the value and role that they each play in successful relationships.
